

CATTERY RULES

SAFETY – SECURITY – HEALTH – WELLBEING

Please enjoy your time here with the cats - happy people mean happy cats! There are just a few rules we would like you to follow:

- Please look after the keys and ensure they're returned to the correct place.
- Only authorised ARC volunteers allowed in the catteries. If you wish to bring a guest (friend, family member, etc) this MUST be authorised by Anna beforehand.
- Important – for insurances purposes, no one under the age of 18 to be allowed on to the cattery premises under any circumstances.
- Check the notice board as soon you arrive. There may be important information, such as cats not to be handled.
- Keep all doors closed at all times. When entering and leaving a pen, ensure the door is closed behind you.
- Hand washing and surface cleaning is very important to prevent the spread of infection. Wash your hands after handling a cat, before handling another. There is soap and sanitiser available in both catteries.
- Use clean bowls, trays, beds and blankets wherever possible. Dont share items between pens unless they have been thoroughly cleaned first.
- Do not remove anything from the catteries unless you have express permission.
- If you have any questions or concerns, please let Anna know straight away.
