

NEW VOLUNTEER FORM

Anna 07720 641653 Sophie 07535 337283

Thank you for applying to volunteer with ARC – Anna’s Rescue Centre. In order to volunteer you must:

- Be over the age of 20
- Be able to drive, have access to a car and be within travelling distance of the rescue centre (Based in Rumney)
- Have some spare time available to volunteer. It doesn't matter if this is regular days each week or occasional days.
- Be reliable and able to keep to any times or duties that you commit to. All the work carried out at the rescue is done by volunteers, so it is important that we can rely on people.

Before you begin volunteering, you will be invited to a familiarisation session at the rescue centre. These sessions will be arranged when we have sufficient new volunteers starting together and attendance is mandatory.

I agree to the above information and have also read and understood the ‘Cattery Rules’.
